JUNIORS ORDER CLASS RINGS

September 7, 1960 was a happy day for the Junior class. Excitement and interest ran high when someone announced that Mr. Deck from Horff Jones and Sons was coming to take our orders.

Mr. Deck met with us in the Home Ec. room and showed us beautiful samples.

Each student selected the stone of his choice to be mounted in the standard class mounting of heavy gold.

The delivery of the rings was promised for Thanksgiving.

We are planning a Junior Class Ring Dance to celebrate the occasion and we can hardly wait for the happy night to arrive.

GIRL'S STATE

Virginia Girl's State was held at Radford College during the week of July 10 to 16. Girl's State was sponsored by American Legion Auxiliary Department of Virginia.

During the week at Girl's State, we had many interesting activities and operated on a very busy schedule. We learned much about the state, city and country government.

The most exciting part of the week was when we went to hear Wilber Walker, Administrative Aid to Virginia's Governor, J. Lindsay Almond, speaker at Boy's State, and the Girl's State ball.

We can both honestly say that it was a week that will never be forgotten.

FIRE DRILLS

As everyone knows, we are suppose to have practice fire drills every week. We have had these drills and we are urging everyone to get out of the building as quickly as possible.

We are hoping ever one will cooperate with the Safety Patrols and teachers.

DAVID ARTHUR

In this section of our Senior hall of fame is a tall, brown hair, bluish-gray eyed boy who answers to the name of "BIRDIE", whom we all know as David Arthur. His favorite food is fried chicken, his drink, milk, and his subject is "GIRLS." He hopes to be a "RAT" next fall, now don't misunderstand me, he hopes to enter V. M. I.

David, we wish you the best of luck in everything you undertake to do.

SUSIE BRANCH

Appearing in this month's Senior Personality is Susie Branch. Susie stands 5'3" tall and weighs 123 pounds. She has blond hair and blue eyes. She is always out for a good time, and always wears a smile.

Susie has been active in Volleyball cheerleading, and is treasurer of the F. H. A. Her favorite foods are French fried potatoes and steak. As for her favorite singer, she likes them all, but among her songs, "LORELY ROBIN" tops the list.

Susie, the senior class wishes you the best of luck in whatever you do.

Truly Branch

S. C. A. MEETING

On Monday, September 1, 1960, the S. C. A. held its first monthly meeting. The meeting was called to order by Vice-President, Wray Massie. Alice Burks had the devotions, and Alan Spence led in the pledge to the flag.

President, Johnny Reynolds welcomed the high school students back to school. Mr. Oglesby introduced the two new teachers. They are Miss Gloria Bryant, Commercial course teacher, and Mrs. Elbert Adkins, Health & Physical Ed. teacher.

Mr. Oglesby also gave some good school policies for the school year.

PROLOGUE

It was on a hot Wednesday afternoon in September. This was the day for the usual faculty meeting. Only for a change; today it was only going to be the high school faculty, the principal, the principal's secretary, and the honored guest. The grade school faculty was not present. The meeting was held in the usual room, the library. They began to enter the room in the following order. The principal came first.

PRINCIPAL

The principal is a man in his middle thirties as near as I can guess. He always walks around with a worried look on his face. He has on a gray suit, (his usual color) a white shirt, and a black tie. Mr. Oglesby is known for being a success in just about everything he undertakes to do. I have often heard it said that you can tell by the expression on his face what he wants to say, whether he says it or not.

Close behind Mr. Oglesby, you will find his secretary, Mrs. Mason

THE SECRETARY

Mrs. Mason is the life saver for all. She carries her little book in her hand quite prepared for any notes or possibly any letters she has to take on the spur of the moment. Syl, as we all know her, has always considered herself unlucky because of all the letters, notes, and etc. she has to take, she cannot take shorthand. Syl is always dressed in bright gay colors most of the time made by herself. She is known for her gay smile and being late ringing the bell to change classes.

Next in line, we find the Senior sponsor, Mrs. Oliver.

SENIOR SPONSOR

Mrs. Oliver is a favorite to all. She is always willing to be of some help in

SCIENCE PROJECTS

Dogs, dogs, dogs-yes that is the subject of Mrs. M. Mitchell's second grade science project. They are learning to feed their dogs, bathe them, train them, and the other essentials to made their pets happy.

Mrs. T. Mitchell reports that her second and fourth combination grades are studying insects as their special science project. They already have quite an interesting display in their room.

TINY RETURNS

Tiny, the favorite goldfish of Mrs. Arrington's last years first graders is back in the first grade again. She looks as lively as ever. One of the group, now in the second grade, gave the follow-

NEW GRADE TEACHERS

B. I. S. H. welcomes two new grade teachers, Mrs. Cora Edwards and Mrs. John Oliver, to our school faculty.

Mrs. Oliver is originally from Chatlam, Va. She and her husband are making their home in Lynchburg. Mrs. Oliver attended Averett College and did summer work at Lynchburg College. She enjoys sports and reading. She is teaching the fifth grade this year.

Mrs. Edwards and her husband are now living in Lynchburg. They moved here from Richmond. Mrs. Edwards has her B. S. Degree in Education at Radford College. Her special interests are serving and homemaking. She is teaching the fifth and sixth combination grades.

GETTING TO KNOW YOU

There are many ways of becoming acquainted. Mrs. Sowell chose a very unique way. On display in her room are drawings made by the children of themselves with their names under each picture.

ASSEMBLY PROGRAM SCHEDULED

"America in Song" will be presented to the upper elementary grades by Mrs. Eagle's sixth grade on Wed., Oct. 12.

Bill: Did you hear about the accident in the Army camp?

Bernice, why did Mr. Deck ask you if you were going to keep your class ring?

Patsy seems to be having some difficulty with several girls at football practice, is this true, Patsy?

Susie, who is the guy you've been riding around with the past week?

Did I hear someone say the other day that Barry and Betty Lee are setting a certain date for a special occasion?

Did you say you would like to go to Bedford High, Judy? Why?

Who is the special one in Roanoke, Johnny Reynolds?

Dorothy, is the ring on to stay this time?

Who could David R. be waiting for on the stage between first and second periods?

Miss Bryant, what's this I hear about you being at a football game? Could you tell us the score?

any way possible. She always has some idea of how the seniors can make money for their senior trip to New York. Her greatest problems are getting the school annual completed and keeping her 8th and 9th grade gym class in gym suits. She is always dressed neatly and receives many compliments on her beautiful hair. Another great problem for Mrs. Oliver is keeping her library books straight. When we think of Mrs. Oliver, we think of the woman whom all can depend on for a helping hand.

The person we see following Mrs. Oliver is the Junior Sponsor, Mrs. Parks.

JUNIOR SPONSOR

Now, when we think of the Junior class, we think of our Junior sponsor, Mrs. Parks. She worries herself to death, trying to make sure the Juniors are all prepared for whatever they have planned to do. She is our famed art director, teacher of journalism, and teacher of public speaking. Mrs. Parks is usually dressed in some gay color and most of the time wears a smile on her face. Mrs. Parks' greatest problem is keeping her art class in paint.

When we look behind Mrs. Parks', we find our Sophomore, Miss Owen.

SOPHOMORE SPONSOR

When I think of Miss Owen, I think her love for convertibles. She is the famed coach of the Big Island girls' basketball team, as well as the teacher of Home Economics. Miss Owen's greatest problem is trying to find the best time to take her morning break. She is the sponsor of the F. E. A. When we look at Miss Owen, we will always find her dressed in the latest style in drip-dry cotton. Her greatest dislike must be to iron.

Coming in behind Miss Owen, we see our new coach and Freshman sponsor.

COACH AND FRESHMAN SPONSOR

The guy we see going into the faculty meeting is our Mr. Adkins. He comes in each morning with his bright smile, but there is one thing he could leave behind and no one would mind, his government book. Mr. Adkins promises to be a good coach for our coming sports for the season. He seems to be a guy who will be liked by everyone. His greatest problem, so far, in getting his car to make the trip to school. We feel that Mr. Adkins will mean a lot in the future of B.I.H.S.

Strolling in behind Mr. Adkins, we find our one and only English professor

ENGLISH PROFESSOR

Mrs. Neal is the only teacher at B. I. H. S. that teaches every student in the school. She is always dressed very neat and is liked by most everyone. Her greatest problem is trying to get all of the Seniors to pass an English test. She is also the Latin teacher for the school. Whenever we need any help in our English in any way, Mrs. Neal is always willing to help. We feel that what we have learned from her will benefit us in many ways.

Close behind Mrs. Neal, we see our teacher of science and similar subjects

FAMED CHEMISTRY TEACHER

When I think of Mr. Neuton, I think of his polite ways and of what a great teacher he must be. I have heard it said many times that his manners are superb. Mr. Neuton is a man, liked by everyone, even his geometry class. His greatest problem is helping the boys find a subject to take in place of the one they failed last year-- CHEMISTRY.

Wondering in close behind Mr. Neuton is our school paper sponsor.

The mention of the school paper always reminds me of Miss Bryant. Her duty as school paper sponsor is one of the small things she has to do. She is commercial teacher at Big Island. In my opinion, her greatest problem is trying to keep her bookkeeping class from getting ahead of themselves. Miss Bryant is a very well-dressed person and it has been said she wears new clothes every day. I think Miss Bryant is a wonderful person and will contribute much to the school.

Next in line, we find the honored guest.

THE HONORED GUEST

The honored guest for today was Mrs. Schenk. She was dressed in her usual neat manner. She had her usual kind smile on her face. Mrs. Schenk is known for the many people she has helped when they needed help so desperately. She is a famed well-fare worker in Bedford county and is always an interesting speaker regardless of the subject she speaks on. When I think of Mrs. Schenk, I think of the sweet little old lady that she really is.

Now to get on with the faculty meeting.

Alice Burks

NEW COACH

We would like to welcome our new coach, Mr. Adkins, into our school. He is a graduate of West Virginia Tech. and he majored in Physical Education. He is 27 years old, 5' 7" tall, weighs 165, and has black hair and brown hair. His hobbies are hunting and fishing.

He enjoys teaching Health and History.

We feel that he will contribute much to our high school this year.

Myck Douglas

Who is this pretty brunette, green eyed teacher that we see roaming through the halls each morning now? She is about 5' 5" tall, and weighs 102 lbs. by now you've guessed that it is Miss Gloria Jean Bryant. She is only 21 years old.

Miss Bryant lives with her family in Madison Heights, Virginia. Her parents are Mr. and Mrs. Alfred Bryant.

Miss Bryant is a graduate of Madison Heights High School. She attended Lynchburg College. There she majored in Education, Religion, minored in Commercial subjects, and had a teaching field of history.

Some of Miss Bryant's likes are Food-shrimp, color-blue, drink-7-up, and her hobby is camping. She also likes to play hockey. But her one big like is going with George Springer who is attending Lynchburg College.

Miss Bryant had a very interesting summer. She worked as director of Religious Education at Bethesda Maryland, went to camp Kawansee and worked as camp counselor there.

Miss Bryant loves to dance, mainly round dancing. Her favorite song is "My Heart Has A Mind Of It's Own."

One thing Miss Bryant doesn't like is getting up early in the morning. She doesn't think that Seniors should take General Business. She also thinks that second year shorthand students should have at least one year of typing.

Miss Bryant likes her job teaching at B. I. H. S. very much. She enjoys teaching shorthand most. But she says she has very nice students in all of her six classes.

We all hope Miss Bryant will stay with us for many years to come.

F. H. A. CAMP

This summer at F. F. A.-F. H. A. camp in Smithfield, Va., was really a lot of fun. There were many new people to be met and fun to be had.

Every day there was swimming, volleyball, baseball, and pingpong. There were also tournaments to be played at the end of the week. Every night there was dancing and vespers. on certain nights there was a talent show and a fashion show. During the week there were fishing trips and a trip to Jamestown or Williamsburg.

The F. F. A. state offices from V.P.I. were there, and this helped to make the week even more enjoyable. I know everyone had fun.

SENIOR CLASS

Poems

Listen to me one and all
Up-to-date with the senior rool call.

First is Davis, as you all know
All diked up from head to toe.
He digs girls of any kind,
That's just about all that's on his mind

Next is Allen, the real tall guy
Who'd never think of telling a lie.
He may be quiet, once in a while is true
but there's lot's more he'd rather do.

Jimmy the third is quite a lad,
who's al ays good, and never bad,
But he also has ideas of better fun.
Such as pulling jokes on everyone.

Our next on the list is Johnny the lad,
Always bringing in some new fad.
He loves to sing, and loves to dance.
But refuses to deal with any romance.

Next is Wayne, a real cool cat,
To none of the teachers, he's never spat
He's always helpful in every way
To every student I might say.

Harold, the next is a funny goy,
No school property would he destroy.
He likes girls, but digs school best.
All except those mean old test.

The next is Johnny, Reynolds that is,
In sports this guy is quite a whiz.
He had blonde hair, his eyes are blue,
Without his help, what would we do?

Barry the next is quite a man,
Whose always willing to take his stand.
He has one big heart desire we all know
To marry Betty Lee, and that is so.

The next is Vincent on my list,
Whose never been one to insist.
Vincent likes school in every way,
He's always present every day.

Now for the girls, first Susie will come
all full of pep, all full of fun.
Her one ambition is dating boys,
But all school activities she enjoys.

The next is Truly a pretty girl
and one of the sweetest in the world.
She likes school, but likes Neil most
But she's never one to brag or boast.

Alice the next is an all around girl,
a diamond she'll get and not a pearl.
Dancing is a hobby, but Rodney's best,
I'm sure this, You've already guessed

The next is me, on the big list,
Telling about myself I can't resist.
But what can I say, or think about,
Oh well, I'll let you figure that out.

Jean the next is quite a friend,
This she'll be until the end.
She's very smart in school affairs,
Boys is least of all her cares.

Mickey the next is really a pal,
known to us as an all around gal.
Drawing will probably be her fame,
But dating J. R. is surely no game.

The next is, next is Nancy, a bouncy one
Who likes to have just real nice fun.
Lynchburg to her is quite a place,
But loving Billy is no disgrace.

Shirley the next is very quiet and nice
She thinks before speaking twice.
She is very nice to everyone,
But still quite a lot of fun.

Margaret the next is the friendly one,
Who always likes to have good fun.
She's helpful to one, and helpful to all
Going with Jack, she'd never stall.

Pat the next is very short and slinder,
Not to everything she will surrender
She likes school work a little bit,
Carl though, is her big hit.

Lois the next is a funny gal,
To everyone quite a pal.
Her hair is very thick and long,
Whose always right and never wrong.

The next is Patsy, short but real alive
Who'd rather struggle than to strive.
Pat's Heart throb goes to Bedford School
This girl has never broken a rule.

Bea the next is quite a whirl,
A very smart and intelligent girl.
Her hair is brown, her eyes are blue,
To all the teachers, she is true.

Dorothy the next, better known as Dot,
Is always ready, right on the spot.
In sports, she's among the best,
She's always neat, so very well dressed.

The teacher of us is quite a fame,
I guess you know Mrs. Cliver by name.
She's very sweet to us all,
And ready to keep us on the ball.
